Re: Sanpete White Quarry - S/039/007

Dear Mr. Hansen:

We have reviewed a copy of your Notice of Intention to Commence Small Mining Operations. We received a copy of the notice from the Division of Oil, Gas and Mining on August 10, 1994.

This project is for surface mining of a four foot layer of limestone ledge in Sanpete County. It does not appear that the operation as described will have any water quality impacts. No permit is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.EE., Manager  
Design Evaluation Section
